Expiry Date:	2026-12-31
Availability Commitment:	99.9%
Covered Services:	checkout-api, auth-service, payment-service, api-gateway, user-profile-api

Clause 1 — Availability Commitment

Provider guarantees 99.9% monthly uptime for all Covered Services. Uptime is measured as the percentage of minutes in a calendar month during which the Covered Services are available and operational.

Clause 2 — Downtime Definition

"Downtime" is defined as any period during which the Covered Services return HTTP 5xx errors for more than 5% of requests sustained for more than two (2) consecutive minutes, as measured by Provider's monitoring systems.

Clause 3.1 — SLA Credit — Minor Incident (less than 20 minutes)

If cumulative Downtime in a calendar month is less than twenty (20) minutes, no service credit shall be issued. Provider will investigate internally and document findings.

Downtime Range:	0–20 min
Financial Credit:	0%
RCA Required:	No

Clause 3.2 — SLA Credit — Moderate Incident (20 to less than 30 minutes)

If cumulative Downtime in a calendar month is twenty (20) minutes or more but less than thirty (30) minutes, Provider shall deliver a formal Root Cause Analysis (RCA) document to Customer within five (5) business days. No financial credit shall be applied.

Downtime Range:	20–30 min
Financial Credit:	0%
RCA Required:	Yes

Clause 3.3 — SLA Credit — Major Incident (30 minutes or more)

If cumulative Downtime in a calendar month is thirty (30) minutes or more, Provider shall apply a service credit of five percent (5%) of the monthly service fee for the affected billing period, in addition to the RCA requirement specified in clause 3.2.

Downtime Range:	≥ 30 min
Financial Credit:	5%
RCA Required:	Yes

Clause 4 — Exclusions

SLA credits do not apply to Downtime caused by: (a) Customer's own systems or third-party services not operated by Provider; (b) Force majeure events; (c) Scheduled maintenance windows communicated at least 72 hours in advance; (d) Customer-requested configuration changes that have not been reviewed by Provider's SRE team.

Clause 5 — RCA Reporting Requirements

For incidents requiring a formal Root Cause Analysis (see clause 3.2 and 3.3), the RCA document must include: (a) Incident timeline; (b) Root cause identification; (c) Customer impact summary; (d) Corrective actions taken; (e) Preventive measures planned. RCA must be delivered within five (5) business days of incident resolution.

This agreement is binding from the Effective Date. This is a synthetic document generated for the AegisRCA demonstration system.
