Service Level Agreement
BetaFinance Ltd

Contract ID:	SLA-BETAFIN-2026
Contract Version:	v1.0
Customer ID:	betafinance
Effective Date:	2026-06-01
Expiry Date:	2027-05-31
Availability Commitment:	99.95%
Covered Services:	checkout-api, payment-service, api-gateway

Clause 1 — Availability Commitment

Provider guarantees 99.95% monthly uptime for all Covered Services. This represents a maximum of 21.9 minutes of permitted Downtime per month.

Clause 2 — Downtime Definition

"Downtime" means any period during which the Covered Services return error rates exceeding two percent (2%) of total requests for any period of sixty (60) or more consecutive seconds.

Clause 3.1 — SLA Credit — Tier 1 (less than 15 minutes)

For Downtime of less than fifteen (15) minutes, no service credit is issued. Provider shall notify Customer within one (1) hour of incident resolution.

Downtime Range:	0–15 min
Financial Credit:	0%
RCA Required:	No

Clause 3.2 — SLA Credit — Tier 2 (15 to less than 60 minutes)

For Downtime of fifteen (15) minutes or more but less than sixty (60) minutes, Provider shall apply a service credit of ten percent (10%) of the monthly service fee and deliver a formal RCA within three (3) business days.

Downtime Range:	15–60 min
Financial Credit:	10%
RCA Required:	Yes

Clause 3.3 — SLA Credit — Tier 3 (60 minutes or more)

For Downtime of sixty (60) minutes or more, Provider shall apply a service credit of twenty-five percent (25%) of the monthly service fee and deliver a formal RCA within one (1) business day.

Downtime Range:	≥ 60 min
Financial Credit:	25%
RCA Required:	Yes

Clause 4 — Exclusions

This SLA does not apply to: (a) Downtime resulting from Customer API misuse; (b) Scheduled maintenance windows; (c) Third-party payment network outages outside Provider's control; (d) Beta or preview features.

This agreement is binding from the Effective Date. This is a synthetic document generated for the AegisRCA demonstration system.
